

How to Access and Set Up Your Website Template

This ready-to-use website template requires a few simple steps to get started:

Next Steps:

Create a WIX Account:

Visit [WIX](#) and create an account.

Set up your login details (email and password).

Send Account Information:

Once your WIX account is set up, send your account email and login details to erika@black-widow.com.au.

Website Transfer:

I will transfer a copy of the website template directly to your WIX account.

Optional Formatting Service:

Need help customizing the website with your branding, logos, and business information?

I offer website formatting and subscription management services.

To book this service, visit the [Template Tab](#) at www.black-widow.com.au.

Customization typically takes 7–10 days, depending on the information you provide during onboarding.

What's Included with Customization:

- Social Media & Branding Assets:
- LinkedIn, Facebook Shop, and YouTube headers.
- Favicon and logo icon for your website.
- Templates for:
- Review/Testimonial Requests.
- Lead Generation 'Copy' Acquisition Email.
- A5 Flyer Design.
- Business Card Design.
- 15 Promotional Content Posts.

Additional Costs (Not Included in Website Modification Fee):

WIX Hosting Fee: Amount varies (to be confirmed by WIX).

E-commerce and Subscription Fees: Based on WIX pricing and plan selection.

These fees will be set up directly through your WIX account. If you need assistance, I can guide you through the process.

WIX Premium Plans – Hosting Fees Overview:

1. Business Plan:

Ideal for small to medium-sized businesses with e-commerce needs.

\$56 per month (billed annually).

2. Business Elite Plan:

Best for high-traffic online stores needing advanced features and priority support.

\$159 per month (billed annually).

Note: Prices reflect annual billing and may vary based on additional services. Visit WIX's official pricing page for the latest updates.

Business Requirements for Setup:

To finalize your website and start accepting payments, you'll need the following:

Registered Business Account – Your country's official business registration number.

Business Payment Details – Required to set up a Stripe account for online payments.

You can create a Stripe account [here](#).

If you have any questions or need further clarification, feel free to reach out or you can download the Onboarding pdf and subscribe to my web management services.
